

# Starshine Texas

## DJ/Band Vendor Information

Thank you for working a Starshine event! We have some information about our venue and rules we would like you to follow below:

### Indoor Space

- Please verify electrical requirements with venue to guarantee we have the amount needed for usage.

### Outdoor Space

- The outdoor stage has three (3) 20-amp circuits for usage. If you need more than three 20-amp circuits, you will need an extension cord to use additional ones on our main building.
- There is one (1) 20-amp circuit for usage behind the Greek gazebo.

### Set-up

- Vendors will have access to the venue starting at 10am of the event date. You are allowed to begin setting up at 10am.
- Please inform us of any tables you will need and the location preference beforehand.

### Clean-up

- If used, remove any tape and residue left behind. Take all items that you do not want to get thrown away by the end of vendor breakdown hour.

### Last Song/Break-down

- Events end by **12am**. We ask for last song to be played at **11:45pm** to encourage exit. Vendors will have an additional hour (no later than 1 am) to grab any items and remove them from property. Starshine is not responsible for items left behind and/or lost. Vendors must be off property by after their 1 additional hour.

### Additional Rules/Information

- All music must follow Houston's Sound Ordinance Law.
- SONOS Surround sound can be used. You will need to download the SONOS 2 app. Please note SONOS uses WIFI. Starshine is not responsible for WIFI going out.
- WIFI username: Sonos Speakers WIFI password: speakers
